CANCELLATION OF THIS CONTRACT—REFUNDS AND CHARGES

If your vehicle has been repossessed, declared a total loss or you give notice of cancellation, this Contract will terminate. You may cancel this Contract at any time by notifying the Selling Dealer or Administrator Obligor in writing of your intent to cancel. IMPORTANT CUSTOMER INFORMATION

This agreement is not an insurance policy. It is a service contract between you and the Administrator Obligor. Repairs covered under the scope of this service contract in total are limited to the limits of liability shown above (under "LIMITS OF LIABILITY") in this service contract on the previous page of this agreement. The total of all benefits that will be paid under this Service Agreement shall not exceed the Vehicle Purchase Price paid by the original agreement contract holder, the Actual Cash Value (ACV) as determined by the National Auto Research Black Book "wholesale price" will be used to determine the actual cash value (ACV) of the vehicle or the limits of liability set forth under the terms of this contract, whichever is less. See sections "WHAT IS COVERED," "WHAT IS NOT COVERED," and "CANCELLATIONS" for information about that will describe the coverage selected by the contract holder, the limitations and exclusions, and the contract holder's rights to a refund under a cancellation. The amount authorized by the Administrator is the maximum amount that will be paid for any repairs covered under the terms of this contract. Any additional amount must receive prior approval from the Administrator. This is a limited agreement. You, the agreement holder, may have other rights which vary from State to State and laws or regulations of those States may supersede some parts of this agreement. All service agreement coverage begins at the time of purchase and at the mileage on the odometer at time of purchase and continues until the contract expires by time or mileage.

WHAT TO DO IF YOU HAVE A BREAKDOWN

Use all reasonable means to protect the vehicle from further damage. This may require you to stop the vehicle, and/or turn off the engine, and/or have the vehicle towed. Any damage resulting from continued operation of an impaired vehicle will constitute failure to protect your vehicle and may result in denial of claim coverage. Have your contract number ready before you call the Administrator Obligor. Any payment of the cost of transporting the vehicle for service is provided under this contract exclusively pursuant to the terms and conditions of this contract.

You may take the vehicle to any licensed repair facility. If the vehicle has factory warranty remaining, it should be taken to an automobile dealership repair facility for the make of your vehicle. If the manufacturer's warranty has expired, you may take your vehicle to any licensed repair facility. The Administrator has the right to select the repair facility and move the vehicle in the event that the repair facility selected by the contract holder charges for parts and labor in excess of amounts considered acceptable by published industry manuals such as Motors, Mitchell, All-Data, and any such manuals used by the Administrator to determine reasonable costs of repairs or if the repair facility selected does not meet the level of service expected to insure proper repair of your vehicle. (You may contact the Administrator for assistance in locating a repair facility). Present a copy of this document to the repair facility prior to proceeding with repairs. Ensure that the repairing facility calls the Administrator at 1-800-682-9761. To assure coverage under the terms of this service agreement, authorization must be obtained from the administrator prior to any repair. The Administrator may be contacted by mail at Tier One Warranty Services, PO Box 680144, Houston, TX 77276.

DIAGNOSTIC TIME; you may need to authorize the repair facility to inspect and/or tear down your vehicle in order to determine the cause and cost of the repair. You will be responsible for these charges if the breakdown is not covered under the terms of this agreement. If it is determined that the breakdown is covered, the Administrator will be responsible for the reasonable and customary cost of such tear-down and/or diagnosis.

INSPECTION OF VEHICLE; we reserve the right to require an inspection of your vehicle and service records prior to approving any repairs. After the Administrator has been contacted, you should review with the Service Manager what will be covered by this agreement for the repair.

The Contract Holder is responsible for the payment of any applicable deductible for each visit to the repair facility. If the repair requires more than one visit to repair, only one deductible applies to the original failure for which a claim was filed. To receive the benefits of the reduced deductible, the repair facility must be pre-approved by the Administrator.

CONTRACT HOLDER'S OBLIGATIONS

The Agreement Holder hereby authorizes the Lien Holder to: (1) be listed as joint payee and receive any refund in the event this agreement is canceled, and (2) cancel this agreement if the Agreement Holder defaults on his/her obligations to such Lender.

In order for this agreement to remain in force, the Agreement Holder is required to follow Manufacturer's required maintenance schedule. For example, some vehicle manufacturers require that the timing belt be changed or an oil change be performed at specific intervals. Agreement Holder must follow the Manufacturer's Maintenance guidelines (including types or quality of products used in maintenance) to avoid denial of a claim and/or cancellation of this service agreement. The Agreement Holder must follow the procedures described within this agreement under the section "What to Do If You Have a Breakdown."

The Agreement Holder shall subrogate all their rights of recovery against any person or organization to the Administrator and shall do whatever is necessary to secure such rights. The Agreement Holder shall do nothing to prejudice such rights.

ADMINISTRATOR'S OBLIGATIONS

If a mechanical breakdown of the vehicle occurs during the term of this agreement and within the United States or Canada, the Administrator will pay the Repair Facility or the Agreement Holder for the repair or replacement of the covered part(s) or component(s) and other items for which the Administrator is responsible for as described in this agreement, if the Agreement Holder has met his/her obligations as also described in this agreement and if the Breakdown is not excluded under the "WHAT IS NOT COVERED" section in this contract. Replacement parts can be of like kind and quality. This may include the use of new, remanufactured, or used parts as determined by the Administrator Obligor.

If the Agreement Holder files a claim under the terms of this agreement, the Administrator will verify the validity of the Service Agreement (proper owner, correct vehicle, agreement still in force, level of coverage, etc.), verify the breakdown with the repair facility, confirm costs of repairs, verify coverage, and authorize service and repair of the covered breakdown by providing the Repair Facility with an Agreement Holder for the repair or replacement of the covered part(s) or component(s) and other items for which the Administrator is responsible for which authorization code. The Administrator shall make payment for authorized repair(s) through Direct Billing, Credit Card, or Reimbursement to the Agreement Holder. Our obligations, as pertains to this Contract, are backed by a service contract reimbursement insurance policy issued by American Resources Insurance Company, Inc. Box 91149, Mobile, Alabama, 36691, 1.800.826.6570.

WHAT ADMINISTRATOR WILL DO WHEN YOU REPORT A CLAIM
